The Game That Never Ends

10 1 3

Chapter 1 by Robert Hernandez

Just imagine how you think it, write it, and then post it on the World Wide Web. Just think about it for a second or two. Write and have someone else tag along to it a writing contest. Write good or write bad, master piece or not, poem or short story. It only depend what you do to put your name out there, and then the whole world will find out who you are in life. Sleep to death or wake up from fake falling, love her or let her go. It's all a lie....

Chapter 2 by Robert Matthew Hernandez

Think or watch how the world moves by motion, it's called loved that's how I remember it by. Not the fact that I am crazy or anything. That's why I'm looking for love.
